

Dear Tony McCormick,

I would like to take a minute to thank you for your help. The purchase of my Force Match balancer was a large investment. I appreciate that you did not take this lightly.

The Force Match has done exactly what you said it would do. The drivers in my fleet can't get enough of the smooth ride. Also, you have shown up for training to work hands on with me and my guys. Then, just the other day you showed up with that demo tool to help with my marketing.

It is refreshing to work with a company that cares as much about my business as I do. It won't be hard to decide to make my next piece of equipment be a HUNTER.

Sincerely,

Austin Duffield
