Training Center

Dear Hunter Student:

Enclosed you will find a copy of your class registration information along with a local map showing **the location of the Hunter Training Center where you are enrolled.**

Please consult your class registration form to confirm the exact Training Center location, class time and dates.

Hunter Engineering Company Training Center dress code promotes a safe, professional working environment. Since a large portion of the training is provided in a hands-on venue, **all attendees are requested to wear work place uniforms or equivalent (i.e. good blue jeans, work pants and shirt, etc.) at all times. The shirt tail of any attire must be worn tucked in.** At no time are shorts, cutoffs, and blue jeans with holes, inappropriately worded T-shirts or hats, sleeveless shirts, tennis shoes or any open toe shoes allowed. Students not conforming to the dress code will be asked to leave and return when their clothing meets the established guidelines. Employers will be notified immediately should a student not be able to meet these requirements.

It is important that students bring all personal safety items required by their employer and the training facility, such as safety glasses, safety shoes and lifting back support if required. Safety glasses are a required item in all hands-on training classes.

Classes begin at 8 am unless otherwise specified on the registration form.

Please call 1-800-448-6848 and select option 1 should you need further assistance.

Sincerely,

Douglas Felt
