

Auto34 Tire Changer Customer Testimonials Pouring In

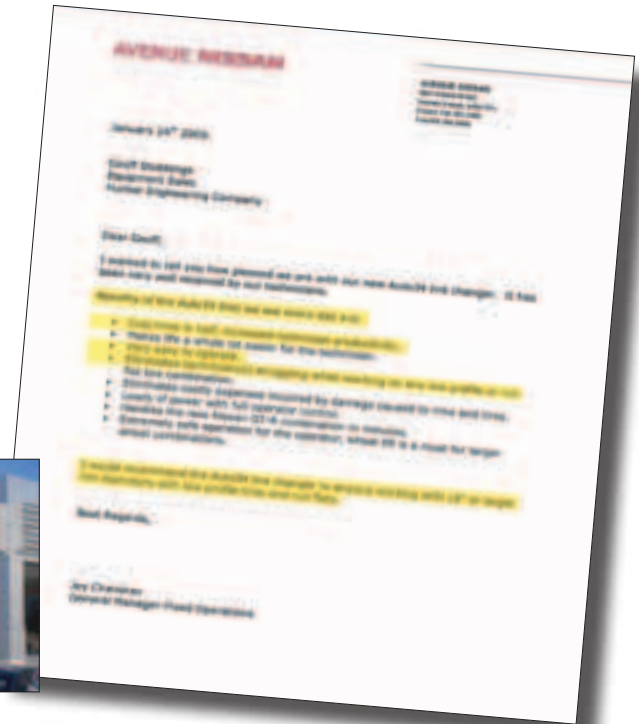

Read what service pros are saying about Hunter's Auto34 Tire Changer...

"Benefits of the Auto34 that we see every day are:

- Cuts time in half...
- Very easy to operate....
- Eliminates technician(s) struggling..."

"I would recommend the Auto34 tire changer to anyone working with 18" or larger rim diameters with low profile tires and run flats."

Jey Chandran
General Manager
Avenue Nissan
Toronto, Ontario, Canada

"After spending a fair amount of time researching our options, the Hunter Auto34 tire changer was the clear choice. It has not disappointed."

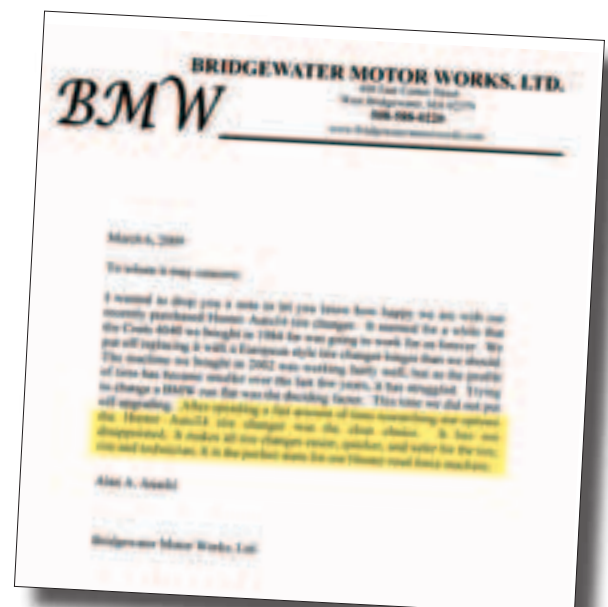

"It makes all tire changes easier, quicker, and safer for the tire, rim and technician."

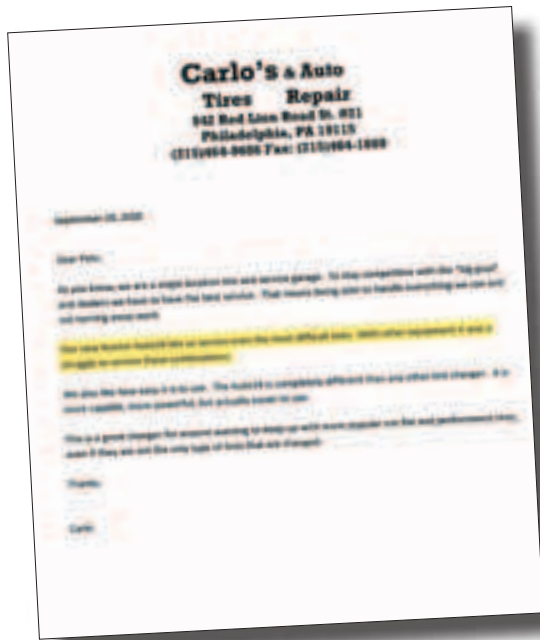

Alan A. Anacki
Owner
Bridgewater Motor Works, Ltd.
West Bridgewater, Massachusetts

"We mainly service Porsches and other high end vehicles and if we damage a rim it can be very costly."

"We have yet to find a wheel and tire the Auto34 can not handle with ease."

Peter Rutkowski
Performance Automotive, Inc.
Malvern, Pennsylvania

"Our new Hunter Auto34 lets us service even the most difficult tires."

"With other equipment it was a struggle to service these combinations."

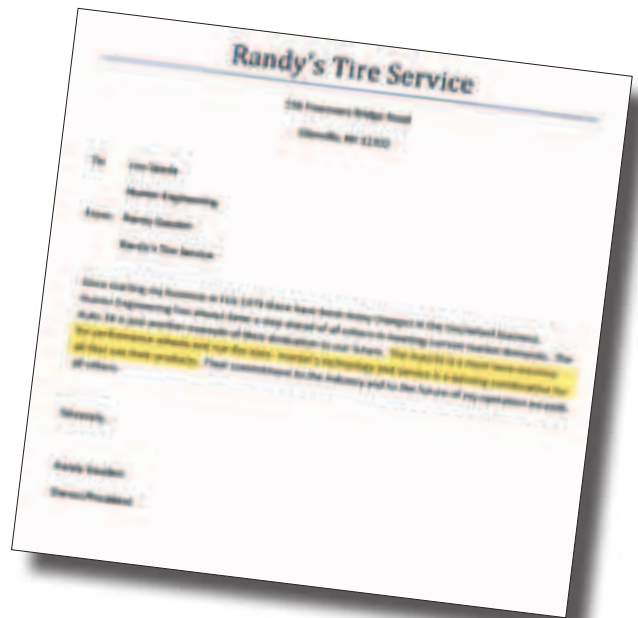

**Carlo
Owner
Carlo's Auto Repair
Philadelphia, Pennsylvania**

"The Auto34 is a must have machine for performance wheels and run flat tires."

"Hunter's technology and service is a winning combination for all that use their products."

**Randy Gauden
Owner/President
Randy's Tire Service
Glenville, New York**

"Our guys like it because it has lots of power and doesn't require a bead lever."

"With only three switches to operate, it is also easy to use."

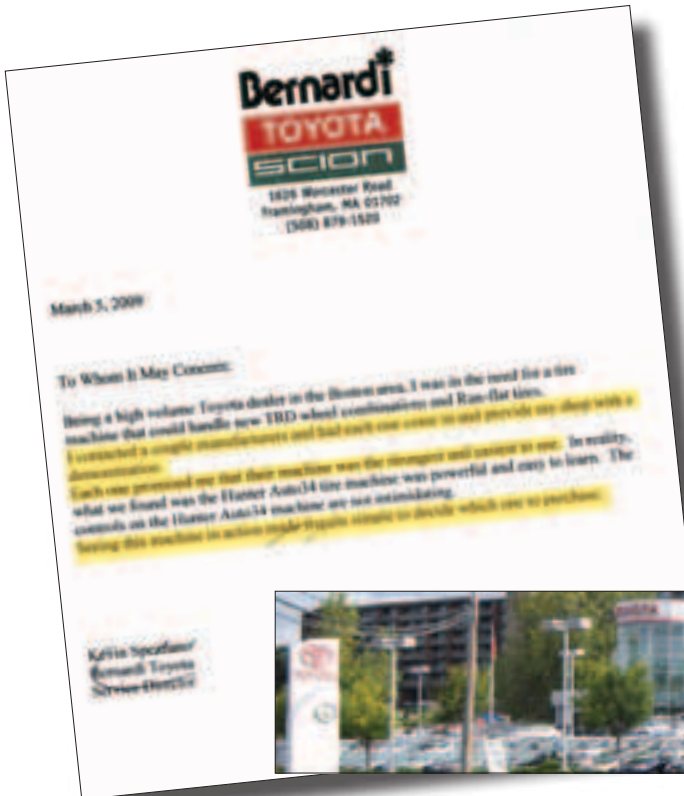

**Chuck Davis
Service Director
Baron BMW
Merriam, Kansas**

"...great investment, time saver and headache reliever!"

"No longer do we have to worry about wheel or tire damage and it's terrific that we don't have to send out any of the work."

George Davis
Service Manager
Thompson Toyota
Doylestown, Pennsylvania

"I contacted a couple manufacturers... Each one promised me that their machine was the strongest and easiest to use."

"Seeing this machine in action made it quite simple to decide which one to purchase."

Kevin Spezzano
Service Director
Bernardi Toyota
Framingham, Massachusetts
